

DAMASCUS GEAR

A detailed, high-contrast black and white illustration of police equipment. The central focus is a tactical vest with a white rectangular patch in the middle that reads "POLICE" in bold, black, sans-serif capital letters. To the right of the vest, a pair of heavy-duty tactical gloves is shown, featuring a textured palm side and reinforced knuckles. Below the vest, a utility belt is visible, equipped with several pouches and straps. The background is filled with various pieces of gear, including what appears to be a helmet and other tactical accessories, all rendered in a similar high-contrast style. The lighting is dramatic, highlighting the textures and contours of the equipment.

FX-1 FlexForce™

Modular Hard Shell Crowd Control System

Upper Body and Shoulder Protection

- Hard shell front and back panels feature a unique Damascus® 3-panel flex design for optimum movement, fit and comfort
- 3mm Electrum XK8™ hard shell front and back panels
- Modular front and back panels are steel riveted together with Cordura® nylon connector straps which attach by Velcro®
- Shock absorbing Protium™ foam with a Polyester mesh covers the chest, back, shoulder and upper arm
- Electrum XK8™ plate with shock absorbing Protium™ foam covers both top of shoulder and upper arm
- Polyester mesh lines the inside of the upper body and shoulder portion which offers comfort and breathability for long term wear
- Reflective Name Plate ID labels can be attached to the front panel for identification (sold separately)
- Adjustable Straps fasten with durable nylon elastic and Velcro®

Forearm/Elbow Protectors

- Two piece hard Electrum XK8™ outer shell provides flex needed by your forearm and elbow.
- Shock absorbing Protium™ foam covered with 420 denier Cordura nylon
- Polyester mesh lines the inside which offers comfort and breathability
- Adjustable straps fasten with durable nylon elastic and Velcro®

Thigh/Groin Protector

- Hard Electrum XK8™ outer shell on thigh and hip sections
- Shock absorbing Protium™ foam with 150 denier Cordura nylon covers the entire outside
- Polyester mesh lines the inside which offers comfort and breathability
- Tailbone pad has an Electrum XK8™ plastic plate laminated to the Protium™ foam
- Groin section has an inner Electrum XK8™ shell with a Protium™ foam padding and mesh cover
- Adjustable Straps fasten with durable nylon elastic and Velcro®

Knee and Shin Guards

- Hard Electrum XK8™ knee caps with super non-slip grip
- Hard shell Electrum XK8™ shin plates with dull black finish to avoid reflection
- Heavy-duty reinforced Protium™ foam padded nylon inner support
- Inner support riveted to the shin plates for ultimate durability
- Multiple adjustable nylon elastic and Velcro® straps give a secure fit
- Removable adjustable foot guards

Gear Bag

- Outside Dimensions – 24”L x 19”W x 15”H
- Inside Dimensions - 24”L x 15”W x 15”H
- Two Velcro® storage compartments in the front of the bag
- Sides of the bag have envelope pouches
- Removable padded shoulder strap

Each piece of the suit fastens and adjusts quickly with durable nylon straps, Velcro® and quick connect clips which allows each individual a custom fit.

FLEXFORCE

The #1 Selling Riot Suit in the World

The **Damascus® #FX-1 FlexForce™** Modular Hard Shell Crowd Control System is the ultimate high-threat level riot control, domestic disturbance, and cell extraction suit. The FlexForce™ design provides substantial protection from blunt force trauma without sacrificing the fit or comfort. The suit is lightweight and ranks highest in easy to put on or take off in a moments notice. The front and back hard shell panels have a modular flex design allowing for all shapes and sizes to fit comfortably with out sacrificing much needed mobility. The forearm guard offers a much more comfortable elbow portion of the pad, which allows more flexibility. The knee/shin guard has a non-slip surface, which keeps you planted in position.

DFX2

IMPERIAL

DFX2 IMPERIAL™ Elite Upper Body Protection System

The *Damascus® DFX2* was designed to provide substantial protection from blunt force trauma without sacrificing the fit or comfort. The chest, shoulders, and back hard shell panels have a modular flex design allowing for all shapes and sizes to fit comfortably without sacrificing much needed mobility. The chest portion of the suit features an aluminum stab plate insert for additional protection. The back plate offers a raised portion in the center that protects the spine from blunt force injury.

Features

- Lightweight cellular Protium™ foam pad design for maximum movement and protection
- 3mm Electrum XK8™ hard shell front and back panels feature a unique Damascus® 3-panel flex design for optimum movement, fit and comfort
- Aluminum Plate insert for the chest portion offers ultimate protection from stab and projectiles (non-ballistic)
- Hard shell back plate offers a raised center for optimal spinal cord protection
- Electrum XK8™ plate with shock absorbing Protium™ foam covers both top of shoulder and upper arm
- Shoulder and side adjustable for increased flexibility and range of movement
- Protected with a durable tight-weave polyester mesh on the outside
- Pocket on interior back side to hold a hydration system
- Adjustable and removable groin protector
- Adjustable reinforced straps with Velcro®
- Velcro® areas to secure ID name plates (sold separately)
- Non-ballistic

NEW

DH1 - Riot Control Helmet Weight: 3.4lb / Visor: 2.5mm thick / Sizes: SM, MD/LG, XL

The New Damascus® Riot Control Helmet features a high-impact, ABS molded shell with neck protector and clear/polycarbonate tactical face shield that is gasket sealed. The helmet straps on with a quick-release retention system with chin cup. Provides full head and face protection against almost all NON-ballistic threats, such as chemicals, rocks, bottles and other projectiles.

- High impact resistant ABS thermoplastic composite material
- Helmet liner is made of 3/4" thick energy absorbing polystyrene
- Polycarbonate adjustable visor with thumb knobs, and gasket seal on the top
- 3/4" Chin strap with quick release buckle and soft rubber chin cup
- Removable cervical neck protector
- Accepts most gas masks
- Scratch resistant flat black finish

IMPERIAL

This Damascus® Imperial™ TG40 Thigh/Groin Protector with Molle System is designed to compliment the DCP-2000 and DFX2 Upper Body, Chest and Shoulder Protection Systems also from Damascus®. It was specifically designed for blunt force trauma protection during riot control situations and protects the thigh and hip areas. The addition of the Molle System on both thighs allows the user to attach a holster, mag pouches, or molle pockets of any kind. The TG40 also features an adjustable and removable groin protector. Adjustable fit allows for one size to fit all.

TG40 - IMPERIAL™ Thigh / Groin Protector with Molle System

- Designed to compliment the DCP2000 and DFX2 Imperial Upper Body Protection Systems
- Molle System on the thighs allow users to attach molle holsters or pouches
- Lightweight cellular EVA foam padding offers excellent protection from blunt force trauma
- Polyester mesh lines the inside which offers comfort and breath-ability
- Four inch elastic straps with Velcro® wrap around the thigh for a secure and snug fit
- Adjustable and removable padded groin protector
- Non-ballistic

Available Sizes:
MD/LG - XLG/XXLG (Special Order)

IMPERIAL

Molle System

The most comfortable hybrid knee pad ever built specifically for Law Enforcement or Military use... just so happens to offer some serious impact protection. They have a unique hybrid construction that combines high and low density materials to deliver maximum "cush", while the contoured ergonomic shape offers superior knee pad support. Part of the DKX1's secret is its GEL and GEL foam center cores which contain two types of shock-absorbing gels, bonded together to create unsurpassed comfort. The GEL also absorbs body weight and disperses it within the pad.

DKX1-B

VORTEX™ GEL-Core Hybrid Knee Pads

- Heavy-duty, hard-shell composite cap which is truly NON-SLIP and plants you firmly on any surface.
- The GEL cores and the unique caps then work together to produce the best possible knee zone protection from blunt force trauma.
- Perforated breathable neoprene coated with silicon at the tops of the pads hug the leg above the knee.
- 1000 denier nylon Cordura® braces and protects the rest of the knee area.
- Both straps feature silicone coated strips to prevent pads from slipping in motion, and reinforced rivets.
- The ergonomic design of the DKX1 as a unit conforms to the knees like no other and produces superb mobility. The pads have been extensively designed specifically for law enforcement and military to produce the highest level of durability and extended knee pad life.
- Available in Black

DAMASCUSGEAR™

Damascus® has been making premium quality hand gear for the men and women of the US Armed Services and other facets of law enforcement worldwide, since 1955. Very early on in our history, we started out as “Damascus Leather Shop”. The store and business were founded in Damascus, Oregon USA. Through our history and experience, the Damascus name has become synonymous within the industry and around the world, as “the best”.

With almost 60 years of experience in gear design and manufacture for law enforcement and military, there is no company in the marketplace in our product category with a greater collective knowledge and experience in the latest materials, design techniques, and development. We sell our product line to most of the largest distributors, catalog companies, etc in the industry worldwide. We also make private label gear for other well-known companies within our industry.

We provide the highest level of personal protection including full body riot control gear, gloves, protective knee and elbow pads and more. Attention to design, function and the smallest of details, along with the use of only the finest quality leathers and materials have delivered consistent and trusted protection to our customers. Our line continues to swiftly evolve as new technologies become available and are subsequently incorporated into our products.

The current Damascus Protective Gear® product line features over 100+ different styles. Primary markets covered by Damascus®: police, corrections, military and tactical.

GLOVE PACKAGING

Eye Catching Hang-Tag Packaging in Red/White/Blue
 Glove Attaches w/ Bungee Strap for Easy Accessibility
 Card Size: 4.5" Width x 8.75" Height

DAMASCUS GLOVE SIZING

Usually one hand will be slightly larger than the other, typically the strong hand (e.g. the right if right handed). Using a tape measure, wrap the tape around the hand at the widest part as shown and make a loose fist. Round the measurement to the nearest whole inch. Locate your size from the chart below.
