TACTICAL.

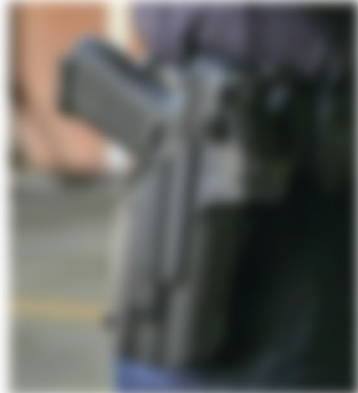

Approved for duty

Approved for duty by over 30,000 law enforcement agencies across the country, the Glock 19 is known for its proven durability, reliability, accuracy and performance. Proven yourself and your agency with the gun industry's American-made, The Glock 19. It's the only handgun with over a dozen years of duty use and more than 4 million units sold with nothing but the gun for the

weight and the look of American-made.
