DH50 RIOT CONTROL HELMET

GAS MASK COMPATIBLE VISOR - NEXT GENERATION OF THE DH1

NEW

The NEW Damascus Gear® DH50 is the next generation of the trusted DH1 – redesigned from the shell out with the upgrades agencies have been asking for. Full head and face protection against non-ballistic threats: chemicals, rocks, bottles, and other projectiles.

NEW & IMPROVED OVER THE DH1

2X THICKER FACE SHIELD

5mm polycarbonate – double the DH1 visor thickness for substantially greater impact strength.

GAS MASK COMPATIBLE

Forward-angled shield clears a gas mask or respirator underneath – no more choosing between face and respiratory protection.

3-POSITION PULL-PIN VISOR LOCK

Fully raised, intermediate, or locked down – faster and more secure than traditional thumb knobs.

ONE SIZE FITS ALL

New adjustable internal suspension system fits your entire team and simplifies fleet ordering.
