

SKU: TBH5

TACTICAL NON-BALLISTIC ULTRA HIGH CUT HELMET

MODERN SF ULTRA-HIGH-CUT PATTERN · FULL HEADSET COMPATIBILITY

NEW

The Damascus Gear® TBH5 is cut in the modern SF ultra-high-cut pattern, engineered to clear the ears completely so communication headsets can be worn without interference. Built on a robust, shock-resistant ABS shell with a high-density EPS buffer and high-rebound memory-foam liner – a versatile mounting platform ready for the toughest conditions.

BUILT FOR COMMS, OPTICS & NVGS

SF ULTRA-HIGH CUT

Clears the ears completely for full headset compatibility; signature relief slots let operators don or doff the helmet without disturbing their headset.

WILCOX-STYLE 3-HOLE NVG SHROUD

Integrated up front with retention bungee – a rock-solid mounting platform for night vision, cameras, or optics.

EPS BUFFER + MEMORY FOAM LINER

High-density EPS pad paired with a high-rebound memory-foam liner for impact absorption and all-day comfort.

FAST SUSPENSION SYSTEM

Dual-angle crossed headbands and a rear adjustment dial lock in a secure, custom fit in seconds.

STANDARD FEATURES

Robust non-ballistic hard-shell design in shock-resistant ABS

Side accessory rails for headsets, lights, cameras, and battery packs

Loop panels for illuminators, strobes, patches, and IR/reflective tabs

4-point adjustable chinstrap with quick-release

Removable, reconfigurable internal pads

Integrated ventilation for airflow in hot conditions

WEIGHT	2.4 lb
